

ONESCO transition team

[Music begins]

Narrator: The way we do business, it doesn't have to be complicated.

Our transition team stands ready to make sure that your move is well organized and goes smoothly.

Their goal is to ensure you minimize the time out of production, and maximize the time in.

When considering a change, you only want to do this once.

You want it to be right, and you don't want it to be overly complicated.

Let your move to ONESCO be the last move you will ever need to make.
